

(ii)

Mr Tim Reardon
Secretary, Department of Premier and Cabinet
GPO Box 5341
Sydney NSW 2001

2 May 2019

Dear Mr Reardon

Sydney Harbour HighLine

I attach the final report from the Sydney Harbour HighLine (SHHL) committee.

By way of background:

- In March 2017 the Hon. Gladys Berejiklian MP, Premier NSW guaranteed that the Lavender Bay rail line will remain in public hands and established the Sydney Harbour HighLine committee to investigate creating a scenic walking path along this unique stretch of railway land. The member for North Shore convened the committee that comprised relevant State Government Departments and community representatives.
- In September 2018, Minister Constance requested the committee to finalise its work and report to the NSW Government.
- The committee asked that the SHHL Association prepare and present the committee's report. The report includes design and cost estimates completed by Sydney Trains.

The report was submitted to the Premier and to The Hon. Andrew Constance, MP, Minister for Roads and Transport on 12 December 2018. Since then, despite follow-up letters to the Premier and to the Minister, we have had no response.

I would be grateful if you would bring the enclosed report to the Premier's attention and arrange for myself and another representative of the SHHL Association to meet with the Premier.

Yours sincerely

A handwritten signature in black ink, appearing to read "David Johnson".
